INVENTOR'S DECLARATION

As below-named inventors, we hereby declare that:

Our residence, mailing address, and citizenship are as stated below next to our name.

We believe we are the original, first, and joint inventors of the subject matter which is described and claimed and for which a patent is sought on the invention entitled:

A Method for Making Polyolefins Having Internal Double Bonds,

the specification of which was filed January 6, 2006 and amended by a Preliminary Amendment filed January 6, 2006, as a national phase application of International Application No. PCT/EP2004/051369, with an international filing date of July 6, 2004, and having been assigned application serial no. 10/564108.

We have reviewed and understand the contents of the above-identified specification, including the claims as revised by the preliminary amendment referred to above.

We do not know and do not believe that said invention, design, or discovery was ever known or used in the United States of America before our invention or discovery thereof, or patented or described in any printed publication in any country before our invention or discovery thereof for more than one year prior to the priority date of this application, or in public use or on sale in the United States of America more than one year prior to the priority date of this application; that said invention, design, or discovery has not been patented or made the subject of an inventor's certificate issued prior to the priority date of this application in any country foreign to the United States of America on an application filed by us or our legal representatives or assigns; and that We acknowledge our duty to disclose information of which we are aware which is material to patentability in accordance with 37 C.F.R. § 1.56(a).

We hereby claim the following priority benefits under 35 U.S.C. § 119 or § 365:

03102060.5, filed July 9, 2003

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these
